Cowboy Action Shooting on Saturday, Sept. 13th At Multi-Lakes Conservation Association

The Huron River Raiders will hold a Cowboy Action Shooting session on Saturday, September 13th. Check in will start at 9:30 AM and shooting will start at 10:00AM. We will end shooting about 12:30pm, followed by some clean up/ teardown. The shooting scenarios (stages) will be set up on Outdoor Range #2. This will be an informal shoot meaning that participants will be asked to help set up and teardown the stages, and will decide the shoot format. We will have two or three stages set up. Cost will be our low introductory rate of \$5.00. No prizes or food will be provided. Cowboy attire is strongly encouraged but not required. Observers are welcome.

Multi-Lakes is located at 3860 Newton Road, between Commerce Road and Richardson Road in Commerce Township. For more information about Multi-lakes go to www.multilakes.com. For more information about the shoots contact Dan Campau (aka The Baja Kid) at 734-261-9786 or Ron Davis (aka Boss Wheelwright) at 248-685-1206. Hope to see you on the range.
