

Wolverine Rangers Epitaph

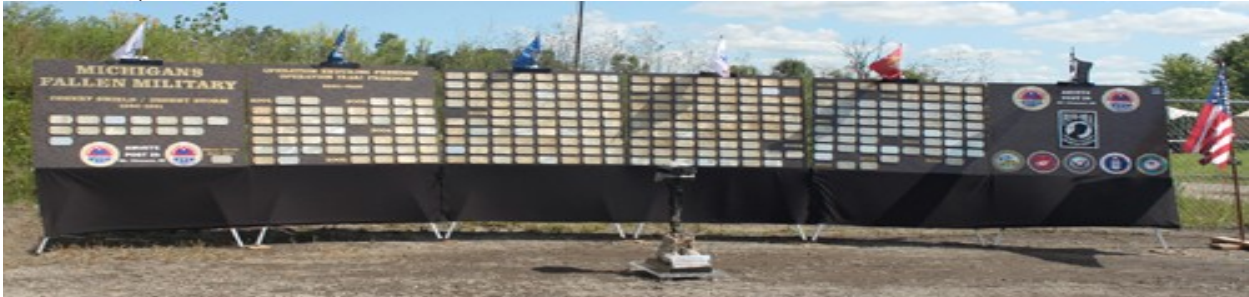

WOLVERINE RANGERS' EPITAPH

Volume 19, Issue 6

October 2016

Howdy pards,

First of all I would like to thank all Wolverine Rangers who attended Range War for supporting our Michigan State Championship of Cowboy Action Shooting. Everything went very well and we have the reputation for putting on one of the best State Matches in SASS. I have included a copy of the Thank You card that we received from Misty Moonshine, the CEO of SASS, who attended the Match. Her presence was very much appreciated. Also included in this edition of the Epitaph, please find a summary of the comments from shooters who filled out the Comment Cards that we provide to all shooters at the Banquet.

Our theme for Range War this year was *Honoring our Servicemen and Servicewomen*. Lainey Mae was able to use her connections to have AMVET Post 29 from Mount Clemens, Michigan bring their Honor Wall in memory and in honor of Michigan Fallen Soldiers who fought in Desert Shield/Desert Storm; Operation Enduring Freedom (OEF); and in Operation Iraq Freedom (OIF). Please check out the pictures in this edition of the Epitaph that Longshot Lillian took of the Wall. It was very impressive and very moving. We will be having the same theme for Range War in 2017.

Congratulations to Overall Winners Deuce Stevens and Sunshine Marcie from West Virginia. Congratulations also to Deuce and K.J. Stevens the Michigan State Men's and Women's Champions as well as to all other category winners and category Michigan State winners. Please check out our website (<http://www.wolverinerangers.org/RW.html#>) for pictures of the winners. Please also check out the other pictures posted on the website. Thanks to Longshot Lillian and to Wildcat Rose for putting forth the time and effort to

take hundreds of photos during Range War and also to Avalanche Andy for taking the time during the banquet to take pictures of all of the winners.

Range War is somewhat of a unique match because we do not have permanent stages and props. Each year we have to start from scratch to set up Range War. This takes a tremendous amount of work to move steel and props for both set-up and take-down. We could not do this without our volunteers and I would like to thank them all from the bottom of my heart. Thanks also to Deuce for being the best Match Director in SASS and to his lovely wife K.J. for all of her help and support. I would also like to thank our Secretary and my daughter, Cosmopolitan Christine, for all of her work both leading up to Range War in handling all of the Shooter Applications and doing much of the organizational work in getting ready for Range War. I would also like to thank my wife, The Lady, and my daughter K.C. Kate and all of the other ladies who helped with Registration and the other responsibilities in the Club House. Thanks also to Camptown for handling all of the scoring. I would also like to thank Snareman for handling all of the financial aspects of Range War and for the Wolverine Rangers. We are lucky to have him. Range War is clearly a team effort.

Thanks also to all of our Servicemen and Servicewomen who fight and sacrifice for all of us. It cannot be said enough.

Please feel free to contact me if you have any questions about Range War or about the Wolverine Rangers. Thanks and best regards,

R.J. Law - Captain

9-14-16

Randy~

Thank you so much for your hospitality! You and your family; in fact - everyone there made me feel so welcome at Range War. My hat is off to you, Deuce, and everyone that has a hand in making the Michigan State Championship a first-class match & event.

Thanks again, and all my best to you and yours.

-Wixty

Range War 2016
Comment Card Comments:

Do it again!

Great shoot. Vendors that were here were good. Could use a costume vendor.

Very well run overall. Great targets.

The vendors area used to be full – what happened?

Turkey good – Beef tough! I'm sorry no more vendors than 3 –

Beef was tough – rest of dinner was great.

This is like a whole new match – fantastic. Loved, loved, loved stages and target placement. What a great match. Like Buckles better than plaques (for firewood)

Like buckles rather than plaques. “Buckles advise for the match – plaques NOT” [sic]

Great time! Fun posse!

Need to know to register at main cabin.

Excellent match!

Enjoyed shoot as always.

Great match.

We look forward to this match each year!

Side matches were well done – don't like reload of derringer. Favors Bond Arms (?)

What a fantastic match – warm and welcoming. Thank you so much for allowing EMF to perform a new shooter clinic.

Great shoot!

Best stages yet – Good job!

Well done! Great weather.

All was good.

Thanks to Deuce, RJ Law and family for a great shoot! And thanks to everyone who helped. Side matches @ 1:00 were great!

Plainsman was great.

Had a great time!!! Thanks for ALL of the hard work. I know it's not easy to put on something like this.

Continued next page

Range War 2016 Comment Card Comments - continued

Need a stage do-over!

Tells you what a great shoot you put on that we have so many shooters from out of State!!

Great time, great job!

Always a great match and a good time here. Very little vendors, but honestly I don't need anything else so didn't miss them.

Hospitality was amazing and this is our second time! Fantastic experience – thanks again to Deuce for fixing my Marlin – really appreciate the help! Best banquet ever!

I was not able to shoot this year but enjoyed the experience of being here and meeting old friends.

Real good match.

Please ask campers to turn off generators after midnight.

Food vendor did not bring enough food. Neutral on vendors – hard to find. Did not attend Saturday dinner – last year chicken was not done.

Would like to see belt buckles for awards instead of plaques. Possibly a photographer.

Enjoyed close targets. On great posse with great workers. Love brass rats at this shoot. Your theme this year & booklet stories were good!!

I know it's difficult to get them, but I wish there were more vendors.

Better job on Stage Scenarios...what happened to the vendors? Did someone forget to invite them?
The posses need to be more even – we had to wait because 2-3 posses before us were running slower.

The shade tents were not set up. Would be helpful to have instructions attached to the frames so the posses could set them up.

Stages flowed well, good movement. A few targets were “dead” causing at least one miss called incorrectly. Random tables for eating – copy Guns of August's procedure for table order.

Not very much room on some of the stages for motorized carts and golf carts – can we leave them out on the main roads? Very crowded! Great stages!!

I gave the overall experience a 4, only because of some issues on the campground. Registration, Stage Scenarios and Banquet all received a 5, everything else was n/a, although I guess I could give the food vendor a negative rating after hearing they left you in a lurch for having food on the range on Friday after the side matches. Kudos to you and your crew/family for quick thinking on the pizza. I was in the clubhouse when you were discussing it, but didn't really realize exactly what had happened. I only shot one side match, and that was at the coaxing of Wildcat Maverick who loaned me his pocket pistol and provided ammo, but having been on the range and taking photos, I could see they were well run and efficient.

Range War 2016

Suggestions for Next Year:

More junior awards for side matches like Ohio does. More prizes.

Ice cream truck @1:00 pm daily

No standing long guns. No 1st time shooters at a State match.

More vendors!!! Make posses equal or closer.

No double posses – too much waiting. 12 on one & 24 on another.

Clean porta potties. Same target placement – fast & fun – great.

Same target placement

Would like buckles rather than plaques. If possible more vendors.

Maybe buckles next year?

Need to shoot 4 stages for Wild Bunch.

Even up posse sizes

Even up posse numbers. More vendors!!! Set up canopies ahead of time. Shorten banquet.

Do it again!

No change.

Keep on keepin RJ, Deuce & crew are fantastic.

Porta potties for men only.

Please ask campers to turn off generators after midnight.

Maybe cowboy church on Saturday evening?

Continue to have clinics. Absolutely LOVED the transitions clinic. I LOVED the one-on-one time with great shooters!! Thank you.

How about a swap meet (if we are not going to have vendors)? We have an FFL here (I'm sure).

Draw posses out of a hat (keeping couples/families together). That way they are even and non one person shoots with their own "entourage"... who knows – you might even make new friends.

The props were good – more of those would be great.

I ask this one last time – how about a reduced rate for family members (whether maxing out paying for 3 family members or changing the reduced rate from "spouse/significant other" to "second family member")? They say this is a family sport, but it's too pricey for a whole family to shoot. And I'm sure I'm not the only one who feels this way. I'm just the only one who's mentioned it.

Why not take the money that is "given away" at the FREE shoot and use it to build/ buy props for Range War?

Let's try to invite the vendors well in advance (say 6 months) before Range War. Maybe even vendors not totally associated with CAS (fabric vendors, old fashioned candy vendors, etc.)

Balance the size of the posses to prevent waiting for other groups to finish.

Would like to see a "Spirit of the Game" award or at least a mention for those posse members who go the extra mile.

Please *seriously* consider an area that is "generator free" on the campground, and/or a rule that quiet time is 10pm. Quiet time being described as generators off, no kids running around screaming, no loud music/conversations. This is standard operating procedure at most campgrounds, although times do vary. I think 10pm is very reasonable. Some of us have a very hard time getting any rest because of the noise (and fumes). Anyone in a tent or a pop-up camper (a tent on wheels) has very little to shield them from these elements. Even with getting to the campground very early and staking out a spot where you think you will have space and quiet doesn't usually work. Invariably, someone comes and parks themselves very close to your established camp. I am not sure if this is feasible or practical, but please consider the idea. I understand that many people come to party, but for those of us who are giving a little extra of themselves at Range War, it's very draining when you can't sleep well at night (or long enough) and can't even get a nap in the afternoon. This is my fourth year at Range War, and this year wasn't an isolated experience with generators and loud conversations/laughter.

Also a comment about the Boy Scouts: They were my primary issue at the campground this year. I arrived on Thursday afternoon and established my campsite well away from anyone else, in hopes that it would remain that way. On Friday, another camper arrived and parked a short distance away and was later followed by a whole "circle of wagons" later in the day. Much to my disappointment, it turned out to be the Boy Scouts. Friday night, they were running around screaming, apparently playing tag or hide and seek in the dark. I was in bed at a little after 10pm. I figured it would stop soon. When it was after 11pm and it still continued, I unzipped my window and hollered out to them to please keep it down because people were trying to sleep. I heard one adult say "stop screaming". This did not end their games. I gave up and laid in bed wide awake while they continued a while longer. Saturday afternoon, someone at their campsite set up an older, loud generator right between their campsite and mine. Considering that I got so little sleep on Friday night, I had planned to get a nap on Saturday afternoon. Being as warm as it was and not having air conditioning in my pop-up, windows needed to be unzipped in order to even be habitable. With the generator running essentially right outside my camper and the prevailing slight breeze blowing exhaust right at my camper, not to mention the noise, I couldn't even be IN the camper, let alone get a nap. The generator was running until after midnight when it finally ran out of gas or was shut down. I asked fellow shooters who are seasoned campers and were near me and could see the proximity of everything if that was proper campground etiquette and they agreed that it wasn't. To continue the saga, Saturday afternoon, the kids were playing with balls right outside my camper and very near my car. Since a nap was out of the question, I was visiting with someone at their campsite across from my camper and I am nearly positive I heard the ball hit the grill of my car. I then spoke up and told them to go play in the big open area of the field and not by my car. I will also add that an adult had joined in with their play and he should have known better! I also saw that they had dug holes around their campsite, for what purpose, I do not know, but I did mention it to Wildcat Rose so she could let Wildcat Maverick know. If it was a problem, I am sure he would be letting you know. To their credit, they did fill the holes back in when they broke camp Sunday afternoon.

Please don't get me wrong, I am glad they are there to help with brass retrieval and they are being involved, but their campground etiquette has a lot to be desired. There were several adults who were, I assume, supposed to be supervising these youngsters and steering them along the correct path of being courteous and appropriately behaved. They fell WAY short of what the job I believe they should have been doing.

Thank you for reading this. I hope that something can be considered to make Range War a pleasant, yet fun event for *everyone* in the future. I hope that you have contact with the person who was in charge of the Boy Scouts and can relay the information I have provided here so maybe next time they are with us, things can be better.

★ Shooting News ★

Rocky River Regulators of DSC (Utica)

The Wolverine Ranger's Range War is in the books and I would like to take this opportunity to congratulate all the State Champions especially DSC's Jack Holladay who not only competed in his first Range War but also shot clean and was the Michigan State champion in Frontier Cartridge.

September in Michigan was supposed to be cooler but on match day at DSC it was sunny and hot. Hot is the way to describe the shooting action as thirty-four cowboys and cowgirls competed for top honors at this match. Finishing first overall was Dodge City Dick as he edged out J.J. Longley and the husband and wife team of Leadfoot Luke and Hey Sugar. Shooting clean matches were Bad Brass, Wildcat Maverick, Poco Loco, and DSC's Rochester Kid.

Sunday, October 9th is our last Wild Bunch match for 2016. Registration starts at 8:30 AM and the shooting starts at 9:30 AM.

Coyote Claxton, DSC Wild Bunch guru sets up a true Wild Bunch match NOT a Cowboy Action match with a 1911. Every one needs to come out and give this a try. If you don't have all the right guns; no problem, just bring any semi-auto that shoots lead bullets and your cowboy rifle and shotgun. Give it a try!

Sunday, October 16th is the date for our monthly Cowboy Match in October. Besides having some wonderful cowboy stages this is our annual Chili Cook Off Match. This is an opportunity for all the competitors to bring a pot of their best chili to wow our judges. We have chili that is the hottest, no bean, best bean chili, no beef chili, and best overall. Bring a pot and throw your hat into the ring to be crowned chili champion.

There still is plenty of shooting at DSC this fall, so come out and have some fun.

See you on the range.
J.J. Longley

Butcher Butte Bunch - Fenton

An absolutely gorgeous day welcomed us at Butcher Butte for our match on September 11 after a quick and nearly wet set up the day before.

Our day started with our Pledge of Allegiance and a few moments of silence in remembrance of those lost in the terrorist attacks 15 years ago.

Due to other matches going on, we had a small turn out for the match, with one posse of 15, but we all worked together and had a great time. We had a few visitors watching the match, one of which is planning to take up the sport. Thank you to everyone who joined us for the match, we were happy to have you with us!

After the match, we enjoyed a delicious sloppy joe and potato salad lunch prepared by Big Bad Jim while we waited for the results to be computed.

The final results showed we had 5 clean shooters and Doc Roy L. Pain walked away with first place honors.

Remember that our shooting season is not over yet at Butcher Butte! We still have a match coming up on October 9. This is a make-up match for the one that was cancelled in July due to the conflict with the Rangers free shoot in Saginaw. Some fun stages are already written and ready to go. The weather should be cooler and of course there will be good friends to visit with. We hope for a good turn-out for this match. Who knows, maybe we might end up with October being on the regular schedule!

Keep it pointed downrange!

*Lingshot
Lillian*

Johnson Creek Regulators - Plymouth

The Johnson Creek Regulators would like to offer our condolences to the family of Wolverine Ranger member South Paul (Paul Wolcott) who passed away suddenly during a match Saturday. We understand South Paul had just shot a clean stage when he was stricken.

September 24th was a beautiful day. The weather was perfect for a day at the range. (And for us Spartan fans, a day at the range was much more satisfactory than a day in Spartan Stadium)

We brought out our new Texas Star for morning practice. We were a bit disappointed more shooters did not take advantage of the opportunity as we plan to introduce the Texas Star at our October match.

Our September match linked each stage to gold mining in the old west. Snuffy Dave Edwards brought home the gold (so to speak) with an impressive adjusted time of 110.20. Clean matches were turned in by Henry Moon Shine, Sarge, Mishomis and Single Barrel Bob.

At the end of our regular match, shooters were divided into teams by drawing lots. Each team had one member assigned to pistol, rifle and shotgun. This reporter would love to report results for each posse, but alas, the results seem to have walked away. That said, the tag team shoot was a success. Many positive comments about team building and comradery were received. This is something we will do again.

Our final match of the year, our annual Pumpkin Bustin will be Saturday October 22. Just a week before Halloween, feel free to wear your scariest western costume.

"For summer there, bear in mind, is a loitering gossip, that only begins to talk of leaving when September rises to go."

- George Washington Cable

Hidden Valley Cowboys - Sturgis

It was a beautiful day for shooting! We had 36 shooters today! Some folks we haven't seen in a while, Doc Roy L. Pain, Two Rig A Tony, Lucky Lennie and one new shooter and Posse member, Indy Bootlegger. Like to thank everyone who joined us, we had a fabulous day!

We had ten clean shooters today: Diamond Jim, Doc Roy L. Pain, Headstone, J. R. Hammer, Jake Spotted Horse, Mike E. the Blaster, Sauk Valley Stubby, Three Gun Cole, Triple Threat and Two Rig A Tony. Congratulations!

Like to thank everyone who helped set up the Valley and helped Mike & me today: Diamond Jim, Indy Bootlegger, Ka Adik Krista, Naughty Nellie, Tommy Two Fingers and Triple Threat.

Thanks to Cookie for providing a great lunch today of Cowboy Beans, rolls and cookies.

Our next shoot will be October 16th, registration opens at 8:15 AM, side shoots start at 8:30 AM, and the mandatory safety meeting starts at 9:45 AM preceding the main match.

Sauk Valley Stubby & Ms. Blazin

Straight Shots from Saginaw

We're sure you've heard the words "Yee Haw" somewhere along the trail... a shout of joy, challenge, or victory. Victory! We like the sound of that definition because all of our cowboys from Saginaw shot Range War well and took home plaques. We had a "Yee Haw" good time!

Saturday's opening ceremonies this year included the Michigan Fallen Soldiers Wall of Honor. It was sobering to stand looking at names of men and women who fought for our freedoms and never returned home to enjoy what many of us take for granted. We hope the shooters were able to read the interesting articles R.J. Law compiled for the match booklet. They were very informative.

Match Director, Deuce Stevens, and all his helpers did a great job this year. With a well-designed shooting schedule, great stages and target placement, the posses moved well through the weekend. The stories told after each day's match are always fun to hear. Just when you think you did the dumbest thing, along comes the "next guy's story", and you can sure relate to what he's saying. We all cheered when any of us would do well and groaned when we didn't. And when the last shot of the match was fired, the whole posse lined up for a shotgun salute, along with a great big "Yee Haw". A grand finale for the end of a fun shoot.

The banquet and awards ceremony was great. This year The Lady was assisted by little helpers politely handing out the plaques. We had to smile watching an older brother lend a hand to his little sister when it was her turn to help out. One little pard, his face beaming proudly, galloped back after his delivery, feet lifted high as his cowboy boots danced across the floor. Definitely, a "Yee Haw" moment!

Yup, that phrase "Yee Haw" describes a perfect ending for Range War 2016. We're sure 2017 promises another great event.

Until next time, remember to live life and give it your best shot. We hope you have many "Yee Haws" in the future.

Happy Trails,
Bad River Marty & Katie Callahan

The Eagleville Cowboys - Central Lake

The 'Eagles Revenge' annual two day Cowboy Action match was held on Sept. 24 and 25 with cool but nice weather. There were two separate shoots for those who could not make both days. Attendance was down a little from previous years for some unknown reason.

At the end of the first day, the following came out on top of their category: Senior - Atlanta Sharp, Elder Stsmn - Thummpers John, Grand Patron - One Son of a Gun, Sr.G.F. - Andy Horshurodinon Catl Brn - Trusty Rusty, Sr. - Care Bear, Wranglr - Rowdy Rusk, Duelst - Marlin Matt, 49er - Bar Gun Hunter, Frt.Ctg. - Tin Pan Sam, Cowboy - Sparky Bill, Sil.Sr. - Mohawk Scout, L.F.Ct.Dlst - Senora Vaquera, Frt.Ctg.GF - Scotty Two Shotty, L.G.F. - Laurie L'Amour, Buckaroo - Big I (eye), L.Sil.Sr. - Buckeye Juice, L.Frt.Ctg. - P.K. Brimstone.

Clean shooters were: Atlanta Sharp, One Son of a Gun, Andy Horshurodinon, Rowdy Rusk and Bar Gun Hunter.

The second day, Sunday the weather was a little better, but not as many clean shooters. And a Senior Gunfighter came out ahead of the rest..!! Sr. G.F. - Andy Horshurodinon, CTBN - Trusty Rusty, E.Stsmn - Thummpers John, Cboy - Sparky Bill, Gr.Patn - One Son of a Gun, 49er - Bar Gun Hunter, F.C.G.F. Scotty Two Shotty, Wglr - Rowdy Rusk, Sr. - Bulldog Jim, L.F.C.D. - Senora Vaquera, F.C. - Tin Pan Sam, L.G.F. - Laurie L'Amour, L. Sil.Sr. - Mercantile Annie, Buckaroo - Big I, L.Frt.Ctg. P.K. Brimstone, L. Sil.Sr. - Buckeye Juice. Clean shooters were: Andy Horshurodinon, Bar.Gun Hunter, Rowdy Rusk, and Big I.

Both days, all shooters got their pick of the many door prizes on the tables. Several cowboys or cowgirls brought extra food to supplement what Birdshot Betty had already prepared, so we are very well fed.

After all the award categories were called, we had a drawing for a nice handgun. Every shooter

picked a card out of a deck when they registered, and tore it in half and put half of it in a hat. One of our 'brass pickers' pulled the winning card, and a loud response was heard from "Big I" as he held the winning card. He is only 10 years old, has been shooting with his grandfather 'Tin Pan Sam' for three years. So the gun had to be put in Grandpa's name until he gets old enough. The little Cowboy is being taught right, he almost always shoots clean, just not fast "yet"... Watch out when he gets to the Junior category..

C Y'all down the trail.

One Son of a Gun

The Shooter's Stance

Stepping Away From a Comfort Zone: My First Range War Experience

I'm Jack Holladay, member of Rocky River Regulators of DSC in Utica, MI. I have been with the Cowboy Action Shooting Club nearly 4 years now, participating in almost all of the 10 or so Cowboy matches per year. I've made myself comfortable in matches, helping with setup, becoming familiar with match shooters and committee members, and the procedures of a match at my "home range"

Rocky River Regulators member J.J. Longley has, not so subtly over the past years, mentioned I should participate in a State Match. Easy for him to say; With more years of participation under his belt, and being an excellent shot, he plays this game very well. I was not yet comfortable or confident with the idea of shooting at a State Match. Well, with the purchase of a 5th Wheel Trailer last fall, and continued success at home matches, stars started to align themselves. I decided this year would be a good opportunity to attempt a State Match, fully immersing myself in the event. I had made up my mind, and told J.J. I would go. I have no regrets about that decision.

I arrived on the grounds Thursday afternoon with my trailer in tow. I was pleased to find an open layout for parking, so I lined up with a couple from Iowa that were attending their second State Match. Camping on the grounds provided the opportunity to meet other shooters, see setups, and familiarize myself with the lay of the land. I also had more time to review the stages and shooting scenarios that were provided online the week prior.

Friday morning kicked off a Mini Match, consisting of 3 posses working over 4 stages, some similar to what would be presented on Saturday. While scores were calculated, they were not combined with Saturday and Sunday results. This was a relaxed practice to familiarize ourselves with the procedures and stages. With the mini match wrapping up mid afternoon, I had enough time to clean my guns at my trailer, get cleaned up myself, and enjoy dinner at the camp, alongside fellow Regulators J.J. Longley, Coyote Claxton and Camp-

town, Saturday morning's main match was under way. We started the morning with opening ceremonies and a humbling presentation for those Michigan Veterans killed in action. Then the competition was on. Event Marshalls guided 10 posses through 5 stages of the match. The Marshalls were experienced, knowledgeable, and pleasant to chat with. I was also able to walk around, taking some pictures and observing other shooters. It truly felt like a match at DSC, just a bit bigger, and with a lot more people. We wrapped up mid afternoon, again allowing time to get my guns cleaned up at my trailer. Dinner was hosted at the Clubhouse on the grounds. The Cowboy Campfire followed, which was quite enjoyable. Live music and singing provided entertainment for the evening.

Sunday morning kicked off the second half of the main match, with another 5 stages. Again, the Marshalls expert guidance made for a smooth match. The evening was brought to a close with a banquet at Alexander's in Marysville. While at the dinner, a fellow shooter asked if I had shot a clean match. I explained that I was concentrating so much on avoiding major catastrophes that I wasn't entirely sure my match was clean. As it turns out, not only did I shoot a clean match, I took Michigan State Champion for Frontier Cartridge.

Traveling home Monday morning, I had a State Match under my belt, and 3 new plaques to place on my shelf. Beyond the awards though, success in stepping outside of my comfort zone was possible due to the well choreographed event. Expertise made the event go off without a hitch, and comradery made it feel like home. I am happy to mark the 2017 Wolverine Rangers Range War on my calendar.

Happy Cowboy
Jack Holladay
